On behalf of the organizing committee, we are pleased to announce that the 4th International Conference about Rice and Engineering Sciences in Braila (ICRESB - 2024) will be held in January 26th 2024, online from 10:00 AM Bucharest hour, by zoom platform on the link:

<https://us06web.zoom.us/j/84619264515?pwd=U2FrVms0R0RnenZWOVIXdjlhdENWUT09>

Meeting ID: 846 1926 4515

Passcode: 446239

ICRESB provides an ideal academic platform for researchers to present the latest novel research results about rice, emerging technologies, biotechnologies, digitalization and directions in Engineering Sciences issues.

The conference's goal will to provide a scientific forum for all international prestige scholars around the world and enable the interactive exchange of state-of-the-art knowledge about rice crop technologies and researches.

No fees for registration.

If you want to attend as speaker, please send an e-mail with abstract of paper, your photo and a short bibliography, until 10th January 2024 to:

cercetare@scdabraila.ro or secretariat@scdabraila.ro

The presentations will be in Romanian or English languages, and all scientific papers will be published in the ICRESB JOURNAL 4TH VOLUME, in English
