Meeting ID: 842 8396 1971

Passcode: 982100

ICRESB provides an ideal academic platform for researchers to present the latest novel research results about rice, emerging technologies, biotechnologies, digitalization and directions in Engineering Sciences issues.

The conference's goal is to provide a scientific forum for all international prestige scholars around the world and enable the interactive exchange of state-of-the-art knowledge about rice crop technologies and researches in engineering sciences.

No fees for registration.

If you want to attend as speaker, please send an e-mail with abstract of paper, your photo and a short bibliography, until 10th January 2026 to:

cercetare@scdabraila.ro or secretariat@scdabraila.ro

The presentations will be in English or Romanian languages, and all scientific papers will be published in the **ICRESB JOURNAL 2026 VOLUME**, in English, ISSN 2810 – 5052 ISSN-L 2810 – 5052 DOI: (Digital Object Identifier): 10.5682/28105052, indexed in International Journal Indexing
